Tuskegee Airmen ★ Beyond Expectations
45th Annual TAI National Convention
Indianapolis 2016

Tuskegee Airmen, Inc. (TAI) is a non-political, non-military, non-profit 501c(3) national organization existing to motivate and inspire young Americans to become participants in our nation's society and its democratic process; to support young men and women pursuing excellence, with special attention to those interested in careers in aviation or aerospace; and to keep alive the history and accomplishments of America's first black military pilots, bombardiers, navigators and support personnel trained during World War II, now known as the Tuskegee Airmen.

Originating from an informal annual reunion in 1972, membership in TAI is now spread across the nation in over fifty chapters with members participating in dozens of professional, technical and aviation programs, and community service initiatives.

Tuskegee Airmen, Inc. is dedicated to:

Honoring the accomplishments and history of those African-Americans who participated in air crew, ground crew and operations support in the Army Air Corps during World War II.

Introducing young people across the nation to the world of aviation, science, technology and related curriculum through local, regional and national programs.

Providing educational assistance awards and scholarships to aid college-bound high school students nationwide.

TAI also sponsors award programs for both outstanding active duty, Guard And Reserve personnel of all services as well as Air Force Junior Reserve Officer Training Corps (AFJROTC) cadets; and recognizes individuals, groups and companies whose deeds lend support to TAI's goals and objectives.

TAI holds an annual convention with business sessions as well as professional development workshops. This highly anticipated event is unlike any other, drawing hundreds of attendees from across the nation from civilian, corporate and military communities.

TAI Convention 2016, and the Diamond Celebration of the Tuskegee Experience will be a great opportunity for current and future aviators as well as aviation enthusiasts to hear historical accounts first hand from American aviation pioneers, and for TAI to impart the values that allowed the Airmen to be successful despite insurmountable odds – honor, integrity, tenacity, perseverance, and bravery – on those who attend.
