46th Annual Tuskegee Airmen National Convention

August 3 - 5, 2017

CONVENTION EVENTS

Tuskegee Airmen, Inc. (TAI) returns to the 'Sunshine State' when it gathers in Orlando for the 46th Annual Convention under the theme *"Tuskegee Airmen – Helping Youth Fulfill Their Promise"*. In addition to continuing the tribute to the Diamond anniversary of the Tuskegee Aviation Experience, this year the organization will also celebrate the 70th anniversary of the United States Air Force. In commemoration of these great milestones, a vast array of attendees – surviving Tuskegee Experience participants, organizational members, military, and all levels of government personnel, as well as history enthusiasts and the general public are all expected to attend to conduct business, network and engage in career developing workshops and seminars, and celebrate the legacy of the Tuskegee Airmen.

General Sessions/Workshops: In addition to the annual meeting of the membership of TAI, there will be a series of skill-based (leadership/development training) sessions to discuss topics facing organizational chapters and enhance internal management, processes and procedures.

Military Forums/Presentations: Concurrent with TAI functions and sessions, a series of targeted military forums and presentations are planned, relating to professional development and leadership as well as increasing minority participation in aviation, aerospace and technology.

Special Events: Tuskegee Airmen, Inc. will host an array of special events during the convention with keynote speaker luncheons, multiple individual breakout sessions organized by topic tracks, movie screenings, and corporate, military and vendor informational exhibits.

Exhibition Hall: Tuskegee Airmen, Inc. (TAI) will host an Exhibition Hall throughout the convention that will contain corporate, military, educational and informational exhibitors and vendors displaying leading edge capabilities, information and merchandise. The Exhibition Hall will be open on Thursday, August 3, 2017 and remain open throughout each day of the convention.

Grand Gala Banquet: The crowning event of the convention will be the Grand Gala held in the Capitol Ballroom. This formal multi-course dinner is attendee's most-highly anticipated event during which Tuskegee Airmen, Inc. honors individuals, organizations and companies for their exemplary support of TAI and its goals and objectives. The gala also includes recognition of the organization's esteemed Brigadier General Noel F. Parrish Award honoree and the presentation of the newly established Lumuel R. Custis Outstanding Service Award.

Multiple sponsor opportunities are available by contacting the TAI Convention website at www.taiconvention.com.

Your contributions supporting the goals of TAI are tax-deductible.

Convention Events

Tuskegee Airmen, Inc. (TAI) is a non-political, non-military, non-profit 501c(3) national organization existing to motivate and inspire young Americans to become participants in our nation's society and it's democratic process; to support young men and women pursuing excellence, with special attention to those interested in careers in aviation or aerospace; and to keep alive the history and accomplishments of America's first black military pilots, bombardiers, navigators and support personnel trained during World War II, now known as the Tuskegee Airmen.

Originating from an informal annual reunion in 1972, membership in TAI is now spread across the nation in fifty-five chapters with members participating in dozens of professional, technical and aviation programs, and community service initiatives.

Tuskegee Airmen, Inc. is dedicated to:

Honoring the accomplishments and history of black Americans who participated in air crew, ground crew and operations support in the Army Air Corps during World War II.

Introducing young people across the nation to the world of aviation, science, technology and related curriculum through local, regional and national programs.

Providing educational assistance awards and scholarships to aid college-bound high school students nationwide.

TAI also sponsors an awards program for outstanding active duty, Guard And Reserve personnel of all services and Air Force Junior Reserve Officer Training Corps (AFJROTC) cadets; and recognizes individuals, groups and companies whose deeds lend support to TAI's goals and objectives.

TAI holds an annual convention with business sessions as well as professional development workshops. This highly anticipated event is unlike any other, drawing hundreds of attendees from across the nation from civilian, corporate and military communities.

TAI Convention 2017 will be a great opportunity for current and future aviators as well as aviation enthusiasts to hear historical accounts first hand from American aviation pioneers, and for TAI to impart the values that allowed the Airmen to be successful despite insurmountable odds – honor, integrity, tenacity, perseverance, and bravery – on those who attend.
